PREDIABETES & DIABETES SUPPORT GROUP

FREE Friday Session

Friday September 6, 2019 at 11AM TO 12 NOON

Are you suffering from leg pain, leg cramps, or swollen ankles?

Join the Providence Diabetes and Nutrition Center and the Center for Vein Restoration for an informational session about vein disease and how it relates to diabetes, followed by a game of bingo.

Our featured guest speaker will discuss the stages of vein disease, risk factors, prevention, and treatment options for those suffering with venous insufficiency.

For more information, please call (202) 854-7128
